Lane closures along US 52 for resurfacing project

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane closures along U.S. Route 52 in Manhattan between Laraway Road and Gougar Road will begin for an intermittent roadwork including a resurfacing project, beginning Friday, June 12. Road work continues on another project on U.S. Route 52 from Second St. in Manhattan to U.S. Route 45 east of Wilton Center.

In order to complete the work, temporary daytime lane closures and lane reductions may occur in either direction of U.S. Route 52 at various locations along the project route.

The project will be complete by the end of August.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>. Updates on the impacts to traffic are available at www.travelmidwest.com.
